

PLACEMENT AND CAREER OPPORTUNITIES AT NICIT

The Ultimate Goal Of NICIT Is To Prepare Its Students

- i) For job opportunities and employment in reputed corporate sector, industry/ organizations.
- ii) To Prepare the students for higher & advanced studies in India & abroad.
- iii) To help them to become entrepreneur so as to develop their own business.

Thus, NICIT provides following placement assistance-

- a) It organizes special sessions and seminars on “**Career guidance and opportunities**” available in India and abroad.
- b) It invites reputed domestic and multinational organizations, corporate houses for campus placements.
- c) It circulates compiled CV and project reports to various industries in India and abroad.

■ NICIT has already been providing the placement service to their students.

NICIT has successfully placed following students of Implant Training through campus interview in some of the prominent companies in India.
